of the Rectified Scottish Rite of England and Wales**

Submission of Proposal of Arms, Name *in ordine* and Motto of a Squire Novice postulate for the Grade of KBHC (under Art. 6 of the Statutes) by:

Bro. , Squire Novice, postulate
belonging to the Prefecture.

Proposed Arms (*Show the colours of all parts involved; add a verbal description if you prefer*):

Proposed Motto :
(intended meaning in English:)

The motto may be in any language but must be in a correct form: recourse to a language with which you are patently unfamiliar may result in summary refusal.

Proposed Name *in ordine* (in its Latin form): **Eques a /ab**
(intended meaning in English:)

NB: *Please refer to the Rules of blazon for KBHC Arms set out in Appendix I to the guidance booklet 'The Choice of Arms, Motto and Name in the Order - A Guide for the Squire Novice'. Attention is particularly drawn to the fact that no corporate symbol, badge, emblem, logo or insignia belonging or specific to an existing body, masonic or otherwise, should be submitted as part of the proposed arms; and that approval will only be granted on the condition that the Arms thus approved are used or displayed only for the purposes of the Order of KBHC. Legitimate armigers who wish to submit their existing arms for consideration (with or without proposals for differencing marks) should provide the date of their grant of arms (or certificate of confirmation) together with details of the issuing authority. Only grants issued by official and recognised authorities may be submitted.*

Justification given for Arms, Name *in ordine* and Motto:

(The Justification should be relevant to the Rectified Scottish Rite and should offer clear evidence of the work of self examination and reflection you have undertaken in preparation for the grade of KBHC. Use extra sheets if you wish.)

I declare that the details I have put forward in this proposal are entirely original and my own work.
